Essential Oil Use Chart For Homemade Cleaners & Laundry Products

Essential Oil	Scent description	Special uses, precautions and information	Suggested oils to blend with it
Chamomile	Fruit and herbs	Used for its calming, soothing and comforting scent.	Florals, and some citruses, such as lemon
Cinnamon	Spicy and sweet	Smells like Christmastime. Should not be used alone or in large quantities, but instead added as a warm touch in small quantities.	Orange and tangerine
Eucalyptus	Sharp, fresh smell with a bit of camphor and woody smell mixed in	Antiseptic, antimicrobial and antifungal properties.	Pine, rosemary and tea tree oil, and also lavender and lemon
Geranium	Floral, a less expensive substitute for rose	Often used for a romantic scent for laundry products.	Rose, as well as lavender, rosemary, lemon and orange
Grapefruit	Clean, light and sharp but still fruity	Degreasing properties, scent also reviving, refreshing and helps to reduce tension, especially in winter.	Other citrus oils, and also with rosemary and lavender oil
Lavender	Clean, floral, and fresh	Soothes and calms, relaxes.	Many oils, including citruses and other florals
Lemon	Clean and fresh, lemony	Degreasing properties.	Other citruses, florals and many other oils
Lemongrass	Outdoorsy smell without being woody, fresh lemony scent with hints of grass and hay	Antispetic and deodorizing properties. Use in moderation, and best to blend with another oil.	Both citrus and floral oils, also with rosemary
Lime	Fresh, citrusy and fruity	Degreasing properties.	Other citrus essential oils, as well as lavender, geranium and rosemary

Essential Oil	Scent description	Special uses, precautions and information	Suggested oils to blend with it
Peppermint	Refreshing, bright and minty	Natural pest deterrent.	Lavender, eucalyptus, lemon and rosemary
Pine	Pine needles	Antimicrobial properties, deodorizing.	Eucalyptus, lemon and lavender
Rose	Floral, specifically rose	Adds a romantic touch. Don't use too much because it easily overpowers.	Other florals
Rosemary	Herb like	Antisepetic properties.	Lavender and pine
Spearmint	Minty, fresh	Alternate minty scent to peppermint.	Does not blend well with other scents
Sweet Orange	Sweet, fresh and fruity	Degreasing properties.	Citrus oils, as well as geranium
Tangerine	Delicate, sweet fruity	Degreasing properties, promotes restfulness, but also still cheering and bright.	Other citrus oils, as well as lavender and geranium
Tea Tree	Warm and spicy, but also has camphor and medicinal undertones	Antisepetic, antimicrobial and antifungal properties.	Lavender, pine and eucalyptus
Vanilla	Sweet and warm, like vanilla	Calming and relaxing.	Lavender, rose and lime
